Vision & Mission

Vision

- ▶ To permit the people of China to live under a national system based on the rule of law, independent of the political system of the People’s Republic of China (“China”).

Mission

- ▶ To expose corruption, obstruction, illegality, brutality, false imprisonment, excessive sentencing, harassment, and inhumanity pervasive in the political, legal, business and financial systems of China.

Core Values

- ▶ To practice high ethical standards of integrity and accountability;
- ▶ To bring justice to the people in China;
- ▶ To protect and assist individuals victimized in China, particularly those penalized for speaking out against injustice; and
- ▶ To promote the freedoms of speech, the press, to congregate, to freely own private property, and religion; and create general public oversight of government activities.

inhumanity pervasive in the political,
legal, business and financial systems of
China.

Investigate reports and share results with
the appropriate government units so that
they may take legal action against the
relevant individuals and make the
investigation results known to the public.

(/) **RULE OF LAW SOCIETY** (/)

Save and assist individuals subject to
political persecution or torture by
Chinese authorities.

Make the exposure of information
continuous and sustainable.
